

M.Sneha Priya

Assistant Professor

Area of Interests: INTERNAL COMBUSTION Engines, R&AC, HEAT TRANSFER

Email: sneha.priya346@gmail.com

She holds her Master Degree in THERMAL ENGINEERING from K L UNIVERSITY. Presently she is working as assistant professor in the department of mechanical engineering in GRIET. She taught Thermodynamics, Heat Transfer, I.C Engines and related Thermal subjects. She has 3.5 Years of teaching experience and published various paper in international journals. She has good exposure to current trends and research in the field of Thermal Engineering. She guided many students in their successful completion of UG projects. She is looking forward to pursue her Ph.D.
